

# If you've got to get **CPD hours**, make sure you enjoy the experience

Q4! is a new series of quarterly International Financial Reporting Standards (IFRS) updates that we run in-house.

The programs focus on IFRS Updates, IFRIC Interpretations, SAICA Standards and Circulars, Best Practices and other relevant issues to financial reporting. Hear from industry experts and get info on what's HOT in accounting!

Each session runs over a morning - so it's only 4 mornings a year to stay **up to date**.

If you've got to get CPD hours, make sure you enjoy the experience.

All our courses are **CPD verifiable** hours for professionals.

#### **Your Investment:**

Your investment is R9,500 per session (excl VAT). Prices are fixed so you can bring your whole family to the updates.

The number of participants is limited to the size of your event. For Durban, add R1,000 and Cape Town R2,000 to cover travel costs. For destinations outside South Africa, we suggest running these sessions bi-annually.
